MEDIA CREDENTIAL GUIDELINES

Terms and Conditions

I. Overview

The following media credential guidelines were established to provide an overview of the procedures followed by Oasis Fun Fest in processing media credential requests and a clear understanding of the guidelines for media access at event sites.

II. Eligibility

- a. Oasis Fun Fest will issue media credentials to members of the working press. By definition, a member of the working press shall be a paid employee or representative of a known and established media organization (e.g., newspaper, magazine, television/radio station, website).
- b. Journalists who receive credentials must be on assignment for a specific media organization. All journalists who wish to attend the Oasis Fun Fest must submit a media credential application pursuant to this policy and the guidelines stated herein.
- c. Freelance journalists must be on assignment at the Oasis Fun Fest or must submit a media credential application indicating the scope and purpose of the requested coverage. Each name must be submitted separately for each credential requested.

III. Application Deadlines

It is recommended that you request credentials a minimum of two (2) weeks out from the start of the Oasis Fun Fest. Credentials can be added after this deadline, but it is preferred that they be submitted in a timely manner. Only requests submitted through the official online application will be considered.

IV. Credential Acceptance

Once approved, notification with official media credentials and information will be sent to the email address provided on the online application.

V. Credential Usage

Media credentials must be used by only the person issued. Credentials may not be given or loaned to another person for any reason. Credentialed journalists will have access to media work areas and/or designated areas at the event. A media credential does not guarantee access to restricted areas.
